A5	2 1/32"
A6	3 23/32"
A7	1/2"
A8	7/16"
A9	3 13/32"

Metric

A1	89mm
A2	33mm
A3	152mm
A4	75mm
A5	52mm
A6	94mm
A7	13mm
A8	11mm
A9	87mm

Components

Body: Constructed of Galvanneal Steel and painted white. Features a beaded edge that can be seamlessly blended into surrounding drywall surface using typical drywalling techniques. Some additional tools required.

Hook: Opens 45 degrees. Counter-weight located at the rear goes inside the drywall cavity.

Soft-closer: Grey colored soft closer ensures a smooth and consistent closing action every time.
