Additional Notes

Components

Body: Framed mount to drop into wall. No sanding or mudding required

Garbage Bin: 1.67 gallon capacity. Removeable from door.

Door: Powder coated surface to be finished with paint or wallpaper. Hinged door to hide spare toilet paper, trash bin, toilet brush, and other unsightly essentials

Install Notes:

Framed edge for easy, drop-in install. No mudding or sanding required. Install between drywall studs and secure in place with adhesive and screws.
